

LRVS22 ESG Track

21-22 Sep 2022

REGISTER!

| SPEAKER | COMPANY | TOPIC |
|------------------------------|---|--|
| Noah Bethel | PdMA Corporation | How to use Reliability to Offset Supply Chain |
| Doug Sackett | Total Energies USA | Tribology & Sustainability: How You Can Integrate into Your Plant Reliability Program |
| Jim Hannon | ExxonMobil | Mobil Solvancer: Improving turbine reliability & reducing cost of operation through advanced technologies |
| Adrian Messer | Progressive Reliability | Reliability for Hiring: The Answers Are In Plain Sight |
| Mark Miller | Biosynthetic Technologies | A Comprehensive Evaluation of Sustainable Raw Materials in Lubricant Production |
| Mike Johnson & Rich Wurzbach | AMRRI & MRG | Using Advanced Oil Analysis Techniques to Thoroughly Validate the Continued Useability of Circulating Fluids |
| Jorge Alarcon | Bureau Veritas | The Effect of Geopolitics on the Role of Oil Analysis in Gas Turbine Power Generation |
| Ben Hartman | MRT Laboratories | Revitalizing In-service Lubricants: Comparing Laboratory Studies to Real World Application |
| Rob Kalwarowsky | Elite High Performance | How to Avoid Becoming an A\$\$hole Boss |
| Dries Van Loon | Nanoprecise | Reliability vs Net Zero, Linking Fault Modes to Carbon Footprint |
| Greg Livingstone | Fluitec | The Drive Towards Sustainable Lubrication |
| Erik Mosselaar | Distence Oy | Condition monitoring: Driving Progress Toward Sustainability Goals |
| Tomas Klima | Ecol Industrial s.r.o | Turbine Engineer Dilemma: to Clean a Disastrously Polluted Turbine Oil System or Build a New One? |
| Jonathan Venditti | Klüber Lubrication München | Optimal Efficiency & Maximum Reliability through Specialty Lubricants. |
| Manas Ranjan Pattnayak | Indian Institute of Technology Delhi, India | Air Lubrication for the Environment & Sustainable Development of industrialized Humankind: Present & Future Prospects |
| Mika Perttula | Fluid Intelligence Oy | How Lubricants CO2 Footprint Analysis Contributes to Organization's Net Zero Targets? |
| Anshuman Agrawal | Minimac Systems Pvt Ltd | How Does Your Lubrication Reliability Impact Carbon Emission? |
